

Local 804 Delegate Election

Vote if You Care About

► **Weak Contracts:** Hoffa-Hall are negotiating weak and concessionary contracts at UPS while members pay the price.

► **Pension Cuts:** Under Hoffa-Hall, more than 400,000 Teamsters and retirees, including UPSers, are having their monthly pensions cut in half.

► **Your Right to Vote:** Hoffa-Hall are trying to prevent an election for International Union officers. They also imposed contract supplements even when a majority of members voted NO, including Louisville where members Voted No by 94 percent.

NOT AN OFFICERS' ELECTION

On March 28, members will be mailed a ballot to elect the 16 Delegates and alternates our local will send to the Teamster Convention.

This is not an election for officers or business agents. A Convention delegate serves for one week at the IBT Convention in June.

Delegates are our voice and vote at the Teamster Convention where candidates are nominated for International Union office.

FIVE MORE YEARS OF HOFFA WITH NO ELECTION?

Convention Delegates vote on nominating candidates for General President and other International Union leadership positions.

About 150 delegates are needed to put Fred Zuckerman and Teamsters United candidates on the ballot against Hoffa.

Hoffa and Ken Hall are trying to block all opposition candidates from being nominated so there will be no International Union election.

They pressure all local officials to vote Hoffa-Hall, including Local 804's new Executive Board.

LOCAL 804 OPPOSES HOFFA-HALL

Local 804 members have never voted for Hoffa and have opposed him five straight International Union elections.

Eighty-seven percent of Local 804 members voted against Hoffa-Hall in 2011. We have voted against the last two UPS contracts negotiated by Hoffa-Hall.

It is clear where Local 804 members stand.

We should be represented at the Teamster Convention by delegates who will oppose Hoffa-Hall and their contract givebacks and who will vote to nominate Fred Zuckerman and the Teamsters United Slate.
