“I’m running against Hoffa to put an end to contract givebacks and harassment at UPS.

“Elect Local 804 Delegates to the Teamster Convention who will put us on the ballot and give you a choice against Hoffa this October.

“Vote Teamsters United Against Hoffa.”

Fred Zuckerman, *President, Louisville Local 89*

On March 30, you will be mailed a ballot to elect Local 804's Delegates to the Teamster Convention. A vote by the Convention Delegates will determine which candidates get on the ballot for the International Union election.

Teamsters United Against Hoffa will vote to nominate the candidates who are running against Hoffa. Our opponents say they are 'neutral' which means only Hoffa would be nominated and members would not have a choice in a contested election.
