Our wages and contract are negotiated by the International Union. Hoffa sells us out every time. Now, we have the power to do something about it.

This fall, we can vote Hoffa out, but first we have to get our candidates on the ballot.

On March 30, you will be mailed a ballot to elect Local 804 delegates to the Teamster Convention. That's where the candidates for International Union office will be nominated.

The Teamsters United Against Hoffa slate will nominate Fred Zuckerman to run against Hoffa.

Fred is the President of Louisville Local 89, a strong local that takes on UPS management.

Fred Zuckerman fights for the members. His local has the most full-time combo jobs and the lowest dues for part-timers in the country.

Vote Teamsters United Against Hoffa so you have a choice in the International election this fall.

Fred Zuckerman
for General President
