

HOFFA-HALL SOLD OUT PART-TIMERS

X Low Part-Time Wages Hoffa-Hall froze starting pay at \$8.50 for ten years. It's still only \$10 an hour. That's less than some fast food workers! Fred Zuckerman & Teamsters United are running against Hoffa to fight for \$15 an hour starting pay, more guaranteed hours, stronger overtime rights and higher pay for every part-timer.

X Full-Time 22.3 Jobs Eliminated Hoffa-Hall gave away language that required UPS to create 10,000 new full-time 22.3 jobs in every contract. Fred Zuckerman & Teamsters United will fight for more full-time jobs for part-timers.

X Healthcare Cuts Hoffa-Hall raised our co-pays and cut our benefits with TeamCare. Part-timers used to get healthcare after 90 days. Hoffa-Hall now make part-timers wait one year for benefits and 18 months for family coverage

Vote Teamsters United Against Hoffa Contract Givebacks

Hoffa and Ken Hall are trying to prevent an International Union election by blocking all other candidates from getting on the ballot at the Teamster Convention. Local 804 members can stop Hoffa-Hall and their contract givebacks.

In March, you will get a ballot to elect Local 804's delegates to the Teamster Convention to nominate candidates for International Union office.

Vote Teamsters United Against Hoffa Contract Givebacks.

We will vote to put Fred Zuckerman and the Teamsters United slate on the ballot so that you have a choice against Hoffa in the International Union election.

The Local 804 election is over. This is about the International Union and our contract.

Hoffa-Hall are pressuring every local officer to vote for them at the Convention. 804 Strong has to answer to Hoffa-Hall. We don't.
