

# Vote Teamsters United Against

**Elect Teamsters United Against Hoffa as your  
Local 804 Delegates to the Teamster Convention.**

**We will vote to put Fred Zuckerman and Teamsters  
United on the ballot and make sure you have a choice  
against Hoffa in the International Union election this fall.**

## **No More Hoffa-Hall Contract Givebacks**

“We can’t let Hoffa negotiate another  
UPS contract. It’s as simple as that.”

**Hector Fortis, Brush**

## **Neutral is Pro-Hoffa**

“I was asked to run  
on the other slate,  
but I wasn’t really  
sure where they  
stood. They told me they were neutral.  
Neutral to me is pro-Hoffa. Anti-Hoffa is  
exactly where I stand.”

**Kamal Kaalund, Maspeth**

## **Hoffa Sold Us Out**

“Part-timers and inside workers  
suffer every day because Hoffa  
sold us out in the contract. It’s  
time to use our power to vote  
Hoffa out.”

**Dave Loobie, Foster**

## **Look Out for Your Future**

“This is about our job, our  
contract and our future.  
That’s why I’m getting  
involved. We need an  
International Union  
President that will stand  
up to UPS. That’s not  
what Hoffa is about.”

**Phil Pesiri, Nassau**

## **Local 804 Has Never Backed Hoffa**

“We need to go to the Convention and  
show them that Local 804 has never  
backed Hoffa and we never will.”

**Tony Rosciglione, 43rd St**

## **Put the Local Election Behind Us**

“It doesn’t matter who you supported  
in the Local 804 election. This is the  
International and Hoffa has to go.”

**Dave Mema, Foster**

## **A Choice in the International Union Election**

“Teamsters United Against Hoffa is the only slate that will go to the Convention and  
nominate candidates to run against Hoffa. Members deserve a choice in the  
International Union election. That’s what this delegate election is about.”

**Scott Damone, Suffolk**
