

TEAMSTERS UNITED AGAINST

Once divided by the Local 804 election, these shop stewards and former local union candidates agree: Hoffa has to go.

On March 30, elect the Teamsters United Against Hoffa slate as Local 804 Delegates to the Teamster Convention. We will put candidates on the ballot to run against Hoffa this fall.

Hoffa is in Bed with UPS Management

"Hoffa is in bed with UPS management. He always has been and he always will be. It doesn't matter who you supported in the Local 804 election. This is the International

and Hoffa has to go." **Dave Mema, Foster Ave**

I'll Never Vote Hoffa

"In the local election, I ran with Leaders United. That was then. This is now. I have never voted for Hoffa in my life and I'm not about to vote for him now. It's that simple."

Rocky DiPaolo, 43rd Street

Stop the Sellouts

"I ran on a different slate in the local election. This is about the International Union and stopping Hoffa from selling us out again."

Lawrence Grant, 43rd Street

We Can't Let Hoffa Negotiate Another Contract

"I was with 804 Fights Back. But the local election is over and it's time to move on. We have to come together and do what's right. We cannot let Hoffa negotiate another UPS contract."

Pascal Arabian, Manhattan South

Elect Delegates Who Will Give Us a Choice Against Hoffa

"We're putting aside our differences for the good of the members. I'm voting for Teamsters United Against Hoffa. They are the only

slate who will nominate candidates to run against Hoffa in the International election."

Greg Welch, 43rd Street
